GUEST SPEAKER

Jessica Sears

Chief Risk Officer, Cybernetic Shield

Jessica Sears is the Chief Risk Officer at Cybernetic Shield, where she leads cybersecurity and risk strategy initiatives with a focus on child online safety.

With over a decade of experience spanning cybersecurity, governance and resilience, including time in Big 4 consulting, she has supported global organisations in preparing for and navigating complex crises including cyberattacks and reputational threats.

Jessica brings a unique blend of technical insight, strategic acumen and a strong commitment to social impact.
