## GUEST SPEAKER

### Don O'Rorke

**Founding Member, Consolidated Properties Group**

As a founding member of Consolidated Properties Group (CPG), Don has successfully shaped the business over 40 years to its current \$3 billion development pipeline.

CPG is a developer and owner of institutional grade residential, office, and retail property along the Eastern Seaboard of Australia.

Don is devoted to instilling strong values into the business and is focused on building sound and lasting relationships with stakeholders and business partners.

Don proudly encourages a fun working culture, equal opportunity employment, as well as work-life balance. Furthermore, Don values and supports philanthropic initiatives that benefit our community.

Don started the CPG Community Giving Foundation which was established to support local communities and has contributed well over 1500 different donations to community based and not-for-profit organisations valued at millions of dollars over the past 40 years.
