

GUEST SPEAKER

Debbie Moulds

Dean of Studies and Chair of the AI Leadership Group,
The Rockhampton Grammar School

Debbie Moulds is Dean of Studies and Chair of the AI Leadership Group at The Rockhampton Grammar School (RGS), a P–12 school, where she leads strategic initiatives to embed responsible AI use. She drives collaboration with IT and leadership teams, shaping policy and practice that empower educators and students to engage critically and effectively with emerging technologies.

Debbie's work spans the entire school community, developing AI guidelines for teaching and non-teaching staff, students, and parents, with careful consideration of differing needs. She facilitates professional learning and co-designs programs with a focus on pedagogy and enhancement through technology.

Her work bridges academic leadership and innovation, ensuring AI enhances learning outcomes, the school community and maintains the values and ethical standards of the school. At the heart of all that Debbie strives for, is the students of RGS.
