AND TRUST

GUEST SPEAKER

Dr Cathryn Chatburn
Director, Urban Enquiry

Cathryn is an award-winning urban designer and landscape architect, and one of Australia's leading practitioners in the field. With more than 30 years' experience spanning policy and practice, she has contributed to projects across the nation's capital, New South Wales, Queensland and Western Australia, and is an active member of several Design Review Panels nationally.

Cathryn established Urban Enquiry, her consulting practice, in 2015. She recently completed her PhD at the University of Queensland — *Of Cost and Consequence* — which reframes cost as a collaborative enabler in the design and delivery of the built environment, rather than a metric of control.
