

Queensland Independent Schools SUMMIT

REPUTATION
AND TRUST

GUEST SPEAKER

Kate Pennicott

Partner, MinterEllison

Kate Pennicott is a Partner in the Brisbane Workplace Team who specialises in the Education Industry.

Kate works in partnership with independent schools to manage a broad range of complex people and workplace issues. She has a deep understanding of the particular complexities and challenges encountered in the sector.

Kate regularly guides universities, schools and early childhood education and care providers through reputationally sensitive and complex matters, including investigations, conduct and performance processes, safety and wellbeing processes, enterprise bargaining, industrial disputes, pay compliance issues, regulatory matters and administrative matters. She has considerable litigation experience and has represented many clients in the education sector in employment, industrial relations and discrimination matters before a range of Commissions, Tribunals and Courts.
