GUEST SPEAKER

Jonathan Chew

Chief Insights Officer, Navitas Ltd and Vice President IEAA

Jon Chew is one of world's leading market analysts in international education. He is Chief Insights Officer at global higher education provider Navitas and brings in-depth expertise on global trends in education, built on the rigorous analysis of a wide range of external and in-house datasets. His work is informed by an up-to-the-minute industry perspective developed collaboratively with a global network of stakeholders, policy-makers and experts.

Prior to joining Navitas, Jon spent 10 years in management and economic consulting. Jon was the recipient of the IEAA Excellence Award in Professional Commentary in 2022.
